I believe they are sending the following bullet forward. I don't think the last sentence is necessary but not worth quibbling over. I think keeping it may leave folks with questions about "what issue".

Kathy,

Is this the final bullet or is this an FYI and Region 4 has already submitted the bullet?

Thanks!

So, tom McGill (R4 Branch chief) and I just revised comments the region was drafting. WE know these will be revised but think comments should be along the lines in the e-mail below.

for context (best we know) the Administrator will be in FL next week, meeting with stakeholders including the sugar industry. we know no more than we think it is general open meetings. so these are very straight forward.

if they want a single bullet, this works too

This is going off of the one-pager that Mary Walker gave me to use for developing the talking points.
